Mayodan Town Resolution to back NC House Resolution 982 in opposition to NDAA

(USWGO Rockingham County Branch, Mayodan, North Carolina)A Town Resolution was drafted and lobbied to the Mayodan town government geared towards supporting NC House Resolution 982 in direct opposition to the NDAA. This town resolution was introduced by USWGO and was considered by the town council but when the council met on June 11th, 2012 under their regular meetings, there was no action taken on the resolution.

So then I decided to call almost every one of them and get notes taken as to why they refused to take any action on my USWGO Town Resolution. One response was that the resolution was too complicated and looks similar to what would be presented before the U.S. Congress. The next councilman said that he wants to know exactly what he could pass into town law and the fact that I didn't show up at the May 11th meeting, there was not enough information to just get a vote taken on the resolution. The third councilman wasn't motivated at all and said he just didn't take action on it and that was that. So a new modified resolution titled AMEND2 came to being and was physically delivered to all town council members at the Municipal Building at around 5:00PM to 5:10PM yesterday. A digital copy was also sent to Michael Brandt the town Manager which is the executive branch of this town government. I am still waiting on the town council members to give me their verdict on this new Amended resolution with changes according to the advise of some of the town council members.

This will likely be voted on around the July at the Mayodan town council regular meeting and after the approval of the minutes ceremony. I will be there to report the news and to give a speech and even debate with the town council members including town attorney and state senator Phil E. Berger as to why this resolution needs to be supported.

The whole purpose of the resolution is to get Mayodan in official support of NC House Resolution 982 introduced by Rep. Glen Bradley, whom has lost the election for NC Senate and will not serve another term after 2012. Rep. Bradley was also endorsed by U.S. Representative Ron Paul since he is a liberty loving candidate. This resolution will mandate that the town of Mayodan has to come up with a letter within 2-weeks that is to be approved by a majority of town councilmen once finished, then send it to the NC **'Rules, Calender, and Operations of the House'** committee in the General Assembly, then send copies to Senator Phil Berger, Representative Bryan R. Holloway, and Representative Bert Jones that the town of Mayodan is fully on-board with opposition to the Indefinite Detention provision in the 2012th and 2013th version of the NDAA that is a direct violation of the NC Constitution, U.S. Constitution and it's Bill of Rights. This letter will persuade the committee to begin a vote on NC H.R.982. If one town fights the NDAA then other municipalities may follow suite starting a chain reaction leading to the house bill being voted on within the general assembly.
